

## \*\*\*\*Pharmacy Notice\*\*\*\*

### Minnesota Department of Human Services (DHS)

### \*\*\*\*\*Important Notice of Postponement\*\*\*\*\*

#### Minnesota Health Care Programs (MHCP) Pharmacy Modernization Module (PMM) Go-Live Date Postponed:

The MHCP PMM Project's implementation date has been changed from October 1, 2024, to November 4, 2024. Between October 1, 2024, and November 4, 2024, there will be no change in claims process, or contractor vendor services for MHCP Fee-For-Service (FFS) Point-of-Sale (POS) members. On November 4, 2024, Prime Therapeutics State Government Solutions LLC (Prime) will begin processing outpatient pharmacy claims and assume responsibility for the other contracted duties and functions. Additional information regarding the change to the implementation date of the PMM Project will be communicated to enrolled MHCP providers by the DHS.

Effective November 4, 2024, Prime will be the contracted vendor for the Minnesota DHS FFS POS and AIDS Drug Assistance Program.

#### **\*\* Alert \*\* Claim Submission Differences**

Beginning **November 4, 2024**, all pharmacy claims, regardless of date of service, must be processed using Prime's RxBIN and RxPCN assigned numbers, which are included in the table below.

The following claim submission fields and requirements are highlighted to assist in your claim filing success during this transition. All claims must be submitted under the National Council for Prescription Drug Programs (NCPDP) Telecommunication Standard Version/Release D.0.

*Please note, in the Payer Usage column: M = Mandatory and R = Required*

## Payer Sheets

Payer Specification sheets will be available online soon at <https://minnesota.primetherapeutics.com/> The payer sheets will include the claim submission fields and requirements to assist in claim filing. We encourage you to contact your software vendor soon to notify them of the upcoming transition.

## Pharmacy Testing

Prime encourages pharmacies to submit test claims prior to the transition. Prime is offering a testing window of **September 23, 2024, through October 25, 2024**. If you would like to submit test claims, please email [PharmacyTesting@primetherapeutics.com](mailto:PharmacyTesting@primetherapeutics.com) with your Contact Name, Phone Number, Pharmacy NPI, and Switch Vendor Name to receive test claim data, including the testing BIN number.

**Note:** Please specify MNM-Test claim in the subject line of the email.

## Pharmacy Training

### Important Training Available for Pharmacy Providers

Prime will provide self-paced virtual training for pharmacy providers. This approach to learning will allow pharmacy providers to complete training at a time that is convenient to their schedules. The informational video will be on the Minnesota Web Portal for easy access.

Additional details regarding the training video will be included in the *30-Day Provider Notice*.

## Support and Contact Information

Beginning November 4, 2024, participating pharmacies can contact Prime's Call Center at 1-844-575-7887 for general pharmacy support, medication dispensing and access issues.
